**Subject:** Church & Dwight Co., Inc./Request for Extension of Time to Respond to EPA's Section 104(e) Request-- Superior Barrel and Drum Site

Bonnie: As we just discussed, this email is to request a 30 day extension, until March 21, 2014, for my client Church & Dwight Co., Inc. to respond to the CERCLA Section 104(e) Request for Information relating to the Superior Barrel and Drum Site, Elk, Gloucester County, NJ. Please reply to this email confirming that EPA is amenable to granting this request.

In addition, with respect to the attached Kemron Environmental Drum Inventory Log, would you please let me know what the handwritten initials "NS" in the Hazard Category stands for?

Thanks for your cooperation.

Best regards,  
Gail
